Congratulations and Best Wishes to the Class of 2016

Andover Central Class of 2016
New Safety Regulations Call for Lock-Down Drills

This year new regulations were approved that call for schools to have fewer fire drills but more lock-down drills. The new rules were the result of long discussions by the New York State School Safety Improvement Team, which was comprised of offices from the state education department, Governor’s office, state police, the state division of criminal justice services, and the New York state homeland security team.

The new statute calls for all public schools to have twelve drills in the school year. Eight of the drills are to be evacuation (fire) drills, and four are to be lock-down drills. Eight of the twelve drills have to be done before December 31st, and the remaining four are to be done in the spring.

Andover Central School will have a “Safety Day” again this fall. Many of these drills along with shelter in place drills will be conducted on this day. There will still be a need for drills on other days because of time. Because the lock-down drills will become more common, parents will no longer get a call through our School Messenger system before the drills begin. We will treat the drills just like fire drills. Sometimes a lock-down drill might be conducted with the help of local law enforcement. So, please do not be alarmed. In the case of a real emergency, parents will be notified as soon as possible by the proper authorities.

We will talk to students about these drills at the beginning of the school year so that they are not alarmed. We will instruct teachers about procedures once again at the start of the school year, and they will reassure students that the drills have to be taken seriously, but they should not be frightened.

Obviously, the goal is to keep our students as safe as possible, and have them ready, should an event occur. With practice, students will be more comfortable with the procedures and in turn, will be safer. As always, please feel free to call me with questions or concerns at 607-478-8491, extension 240, or email me at jmorris@andovercsd.org.

Sincerely,

Mr. Jon E. Morris, Principal
Dear Andover Family,

I hope this letter finds you well and that you have begun to enjoy the summer with family and friends. We have been very blessed with this wonderful warm weather! I would like to take a moment to thank you for your support and collaboration in making the 2015-2016 school year such a success. Our students have grown leaps and bounds academically!

This year, we reviewed multiple data points as part of our continuous improvement process with our data inquiry teams (k-8). The teachers worked hard at manipulating their data walls and making sure that each individual student was appropriately placed in an intervention group based on their individual needs. Our Response to Intervention (RtI) process proved to be designed well and supported our student achievement. My goal is always to ensure equity for all students so they receive the individual support they need to reach and exceed our standards and expectations. Below I have attached a brief data analysis of our iReady diagnostic results throughout our past year. I am so proud of our students and teachers hard work ethic, perseverance and effort. They did a great job this year and should be commended.

Congratulations to the Andover Central School Graduating Class of 2016!
Miss Bowen would like to congratulate all of the 2016 Olympic winners and participants. She would also like to thank everyone for helping put on a very successful 30th year of “Olympic Field Day.” From those who helped prepare the fields and music, to Carol Richmond and the cafeteria staff for a great lunch, the teachers, specials, Ms. Steffenhagen and Ms. Stout who prepared all the final calculations. Great job to everyone and thank you for the many years of great support!

Here are the 2016 Olympic Winners:

The Allegany-Cattaraugus School Food Service Association held its very first banquet in May 2016. Senator Cathy Young attended and thanked all school food service employees for all they do for our children. This also is the first year the association presented awards for Director of the Year and Food Service Helper of the Year. Andover Central School’s very own, Mrs. Jessica Wieszczyk, was one of the recipients of the Food Service Helper of the Year awards.

*Congratulations, Jessica!*

Any person who believes they have been discriminated against in any USDA-related activity should write or call immediately to: USDA, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (866) 632-9992 (voice). Individuals who are hearing impaired or have speech disabilities may contact USDA Federal Relay Service at (800) 877-8339 or (800) 845-6136 (Spanish). “USDA is an equal opportunity provider and employer.”

It is the policy of Andover Central School not to discriminate on the basis of sex, sexual orientation, age, marital status, military status, political affiliation, race, creed or religion, color, national origin, or use of a recognized guide dog, hearing dog or service dog, or disability in the employment and educational opportunities it offers, including career and technical educational opportunities as required by Title IX of the 1972 Educational Amendments and Section 504 of the Rehabilitation Act of 1973. Inquiries regarding compliance with Title IX may be directed to the Director of the Office for Civil Rights, Department of Health, Education, and Welfare, Washington, D.C. or to Andover Central School Title IX Coordinator, located at Andover Central School, 31-35 Elm Street, Andover, New York. Andover Title IX Coordinators are Richard Bull, Guidance Counselor, and Sheryl Dougherty, School Psychologist, 478-8491.
