

Early Literacy Program Application

Extra! Extra! Read All About It!

In a few short years your child will be attending preschool at Andover Central School District. We would like to get you started now and begin to get your child ready by offering you the opportunity to join the Early Literacy Program.

If you a resident of the Andover Central School District and the parent of a baby born after the date of July 1, 2016, we would like to congratulate you on the birth of your precious child! Andover School District's early literacy program would also like to provide you with a few **FREE** baby board books for you to read to your child.

So how do you get these great books? All you have to do is notify us by mail or come in to the district office between 8:00 am – 3:00 pm during the week or email your name and address to kcornell@andovercsd.org. We will mail the books out to you within a few days after receiving your information.
